

# PURE PASTRY DELIGHT

## VEGAN SPELT APPLE CINNAMON PASTRY

You prefer plantbased pastries? Made from spelt? And free from palm oil? Here you go: This one's for you!

This vegan version of the iconic Hanseatic pastry „Franzbrötchen“ combines juicy apples with a comforting warm cinnamon flavour. It is made with a spelt flour free from technical enzymes and is lactose- as well as palm oil-free.

Now, this is a pure delight for discerning pastry lovers!

Juicy, fruity, sweet.
